As if we didn't know it already, Club has yet again proven that its cachet is head and shoulders above the opposition by tempting the delectable Natasha Marley back for another visit. She's going through a bit of a slut-punk thing at the moment, which is alright with us – as long as she's still prepared to get all her bits out and have a fiddle for us... which she is! And talking of punk chic, Chanta's clearly been watching her Mad Max boxset recently, going by that horny little ensemble she's put together for us. Still, it's not all sleaze round here – we've still got the likes of Tiffany and Suzy prepared to fly the flag for good, clean, dirty fun! – The Ed. ♣
 PS. Sorry to UK readers about the lack of bonus DVD! It's a cracking Christmas one, so we thought it'd be more seasonal to run it next month!

SHE LIKES IT RAF!

I've always wanted to write to you but never thought I'd have a story until now! I am a 22-year-old soldier serving in Afghanistan. I have just come back from my R&R and had to share this with someone.

Having been totally unsuccessful on my R&R, I thought I was doomed to return without getting laid.

My morale was low as I boarded the plane in the UK to Afghanistan. Soon it picked up as I saw a stunning chestnut

redheaded RAF air stewardess. Luckily for me I was at the front with a good view. Due to my seat, she had to put her demonstration kit onto my lap. As she did though she cupped my groin. I was totally shocked but managed to control myself. As the flight took off my head was rattling with ideas and fantasies. When she kept walking past with a smile on her face and a wink at me, I thought I was in for it. I thought my luck had changed when she spilled a drink onto my chest. However, when I went forward to get it dried and cleaned up she kissed me passionately. I couldn't control myself, I pushed her into the nearest toilet and squeezed her

see her tight arse. Slipping her white French knickers to one side, I slipped in one then two fingers. Her moaning and panting was getting louder. I started frigging her harder and harder, pulling apart her bum cheeks. She was now begging for it.

I slammed my rigid cock hard into her fanny, banging her doggy style over the toilet. Her pussy was tight and wet, with each stroke I could feel myself getting deeper and deeper. Her groans were now getting loud. I grabbed her hair and started to fuck her hard and nasty now. I could hear noises outside but I was getting carried away. I didn't care who caught us now – I was having the fuck of my life!

I could feel myself coming but first I had to have the brown hole I could see. I worked two fingers into her arsehole and used her pussy

"I pulled up her top to expose her beautiful, large nipples that I started to suck hard on..."

small, petite tits. I pulled up her top to expose her beautiful, large nipples that I started to suck

hard on. My cock was now pulsating and eager to pop out of my trousers. Her hand unzipped my flies and drew out my throbbing member.

With a flash, she went down on me, sucking hard and groaning on my cock. I was starting to tense up – I had to have her. I yanked her up and pushed her against the toilet, pulling down her trousers to

juice to lube her up. She started to squeeze me tight and pushed back hard, forcing me deep inside her. I withdrew my cock and rammed it deep into her arse. With her cries of joy I could barely control myself. I jizzed all down her bumhole and watched the sperm drip down her fanny. The dirty bitch sucked my cock dry.

Quickly we both got dressed and hurried out of the toilets, trying not to get caught. I returned to my seat all sweaty and aroused. I couldn't believe what had just happened. The cheeky girl then had the nerve to ignore me for the rest of the flight! I could not have asked for a better way to come back into a war zone. At least the RAF are good for something!

Phil, Bravo Company

CHOC-A-CK!

I think I have a solution for Jenny's chocolate's and cunnilingus cravings (Club 37/11). It's simple really, can't think why she'd not thought of it before, but if she wants to try it out, I have the perfect chocolate for her.

What is the solution? Well, my nice, hard, ready-for-action cock can be dipped into some very tasty, creamy chocolate and she can lick it all off while she sits on my face! That way, she can have some chocolate and discover if I'm any good at eating her out at the same time, and if she doesn't like my tongue technique, no matter, I promise she'll get a mouthful of my dairy milk before she's eaten all the choccie!

Dev, Manchester.

GALLON DRUNK

I simply adored your lovely little cutie Natasha in Club 37/9. She is so wonderfully fresh-faced, sweet and innocent... yet comfortable spreading her legs wide open to show her delicately inviting bald pussy and succulent, fleshy petals!

I would just love to get my tongue deep in between her labia and savour her lady nectar! Her huge mammaries are a great surprise – so big and suckable for such a petite girl.

She represents all that makes Club such a fantastic magazine. Incredibly beautiful girls who are not shy to share their delights with the readers. My aching cock just can't get enough of your lovely girls and pumps out gallons of hot seed in appreciation.

Best wishes and thanks for all you do.

James, London

WHOSE SMOO?!?

Last month's issue of Club (37/11) was excellent, especially the photos of Madison and Anita. They reminded me of two twins I knew at uni – same gorgeous bodies, same devious smile and same tight pussies! I was absolutely astounded and instantly gained some serious man points when I managed to pull them!

In my first year at uni I made friends with a girl called Tanya, who was amazing! We had the same sense of humour and just loved hanging out together. At the time she was seeing a guy from back home, but there was the occasional drunken pull and non-stop flirting whenever we were together.

I quickly found out that she had a twin sister called Lauren, who was on a gap year but was due to start at the same university in September. I thought Tanya was my dream

LOVER Y'ER TIFF!

Not to mention your sexy tan...

How did you get that all over body tan, Tiff? Have you been holidaying on nudist beaches?

"Nope, I've just been doing my gardening naked this year!"

Your poor neighbours, how do they cope with the sight of your hot body every day?

"Well, on one side I have an old couple who don't really go into their garden, and on the other side I have a middle-aged couple who haven't mentioned it. In fact, the only person who's seen me naked in my garden is their 21-year-old son. He came back from university one weekend to house sit for them, and the first thing that greeted him on Saturday morning when he opened his curtains was my bum! I was bending over, watering my pots when I heard the curtains go, and there he was, stark naked himself with a huge morning glory banging against the window panel!"

And did you run and hide?

"No way! I waved him down and fucked the living daylights out of him on my lawn! Well, when you've got a nice hard cock saying good morning, you've got to, haven't you?" ♣

TOP TEN...

FUCKED-UP MORBID PRODUCTS AVAILABLE ONLINE

1. The Los Angeles County Coroner's Office currently flogs off **body bags** to all-comers for (an extremely reasonable) 20 bucks. Just the thing for the grisly stiff in your life.
2. You can now purchase copies of the **complete set of death certificates for the victims of the Manson Family murders**. Included is the certificate for Sharon Tate, Abigail Folger, Voyteck Frykowski, Steve Parent, and Jay Sebring. According to the vendor these are (ahem) "normally" \$19.75 "so you get a saving of \$3.80!"
3. **Handcrafted corpses** "almost indistinguishable from the real thing!" Yes indeed. According to the sick sods who sell these, "each corpse is hand-crafted and is very durable. Total attention to detail is seen in certain features such as nostril and other cavities and fingernails are imbedded into the decaying skin."
4. **Hearses-cum-mobile knocking shops**. Mercifully there appears to be only one left for sale online, a mint condition 1973 Cadillac Hearse with a \$9,800 price tag on the back bumper. Extra features include an iPod compatible stereo and a fold out bed in the rear.
5. The **"Do it Yourself Embalming Kit"**. This is seriously great value, mainly on account of the fact that the manufacturers only want eight dollars for one – you never know when you might have to embalm someone at home!
6. Keep death on the roads with the amazing **Coffin Motorcycle Trailer**. Available by mail order for a mere \$10,900 this is an item no self-disrespecting Hell's Angel or insane US biker can afford to pass on.
7. **Home Autopsy Videos**. Retailing at only \$19.95 this is surely "a must-have item for" (say the vendors) "those who want to know how to do an autopsy but can't afford the tuition fees!"
8. Be buried in style in a detailed, faithful **replica of Dracula's coffin**. Beware chicks that have one of these.
9. Or why not kill your friends and family with massive coronaries with the **TOE TAG TERROR Animated Prop** from those fab folks at hauntedprops.com.
10. **A real human skull**. No kidding. You can really buy some poor bastard's napper on the Net...

woman – hot, sexy, funny and with the nicest tits I'd ever seen – so to think she had an identical twin sister instantly made me hard!

Over the summer holidays, I spent loads of time with Tanya, especially as she was going through a rough patch with her boyfriend but had almost completely forgotten about her twin. When it came to going back to university, Tanya told me that we had to take care of Lauren as she was a fresher and new to the whole non-stop partying thing!

Me and Tanya met Lauren at one of our favourite clubs and I was instantly attracted to her – she was just like Tanya but had a gorgeously rounded ass that was just begging to be spanked! I spent the night flirting with the two, not wanting either girl to be left out, and soon we were all pretty tipsy and bumping and grinding on the dance floor together. I'm telling you, there really is nothing like being sandwiched between two sexy, dark haired girls who are rubbing their bodies against you!

TAT'LL DO NICELY!

Hey, those pictures of Daisy in Club 37/11 were great! I love chicks with tattoos and I wish you would feature loads more of them, I know there are plenty of porn birds out there with tattoos because every porno film I see these days has a chick with some ink under her skin.

But, getting back to Daisy, none of them are as sexy as she is – I would fuck her from behind all day and all night, and you just know that she's had plenty of jizz on that tat. If she hasn't, I'll make sure that changes just as soon as she's bent down in front of me!

Dan, Shropshire

FIRE IN HER HOLE!

Lilly, (Club 37/11) me and the lads at the fire station loved your pics and all of us reckon you should jack in your day job and do this full time!

Any one of us would love to get our girlfriends in Club, the only problem is that none of them are up to your standards. That and the fact that none of them would ever be willing to strip off and play with themselves in front of the camera – believe me, we've all asked!

So, even if you don't quit working for a living and make your money with your pussy, there's a queue of guys here who would definitely encourage you to take it up as a hobby, something you could do at home with us any time you liked!

Good on you girl – you've got a great arse, lovely tits and a pussy we'd all love to douse!

Robbie, Milton Keynes

The twins disappeared off to the toilets for a while but soon came back carrying their coats.

"We want to go home now... fancy escorting us?" Lauren shyly giggled to me. I didn't even have to answer. Within seconds they'd dragged me outside and into a cab and had began licking and biting at my neck! I could see the taxi driver watching as the sexy twins entwined their legs with mine and started unbuttoning my shirt, kissing, licking and biting at my body.

As we stumbled out of the taxi, throwing money through the window as the girls dragged me inside, I was already rock hard! We weren't even half way through the door and Lauren, the supposedly coy one of the two, was unbuttoning my jeans and slipping her hand inside to tug at my thick, stiff cock.

IN THIS MONTH...

28 YEARS AGO:

1980. On the 8th December the world is (supposedly) shocked, horrified and more than mildly dismayed by the senseless murder of former Beatle John Winston Lennon by Mark Chapman at the Dakota Hotel in New York.

It would, however, probably be more accurate to say that the world is reminded, by the fatal incident, of the fact that Lennon is – until that moment – still around and recording, since almost everything he has produced since quitting the Beatles has been self-indulgent depressing pish, and the public hasn't exactly been riveted by his solo output. George Harrison, Paul McCartney and even Ringo Starr have been turning out songs a thousand times better and, in most cases, very many times more popular in record stores.

The actual murder goes down like this: Chapman, a loony of the sort who are usually

harmless pistols at home) and starts firing rounds into Lennon's back.

Lennon doesn't like this and it is plainly doing nothing for his health. You don't recover from set-backs like this so quickly once you reach 40, and of course Lennon is 40. "Bloody Nora or wotever, chuck," he wails, slumping to the floor as Chapman fires a fifth and final shot. Yoko shouts something like (how should I know?) – I imagine – "John!" or possibly even "Banzai!" and then Chapman just waits around like the fucking Manchurian Candidate

"You don't recover from set-backs like this so quickly once you reach 40..."

pictured in family photos with their cock out, pushes through the crowd towards the legendary Lennon with a copy of J D Salinger's *Catcher In The Rye* in one jacket pocket and a handgun in the other as the one-time Beatles star and his Japanese wife Yoko return from an outing to the Record Plant Studio where John had just finished recording his first disc in four years, *The Late John Lennon's Greatest Hits* – a posthumous global smash.

According to a source whom by law I am forbidden to reveal, Chapman barges up to Lennon and demands an autograph. Lennon charitably obliges. "Give peace a chance, eh?" he (very likely) tells the tormented crazy, leaving him with a matey squeeze on the shoulder.

What happens next is totally unforeseen, even by folk like Russell Grant and Nostradamus. Suddenly, with a cry of "Just a minute, Johnny-Boy – everything you've written since *Abbey Road*, except maybe the track *Imagine*, is hopeless muck", Chapman pulls a lethal pistol (he has presumably left all his

for the cops to turn up and arrest him.

Lennon is pronounced dead at the Roosevelt Hospital after doctors fail to save his life despite valiant attempts to do so using blood transfusions and heart massage. When he is cremated two days later at the Ferncliff Cemetery in Hartsdale, New York, his ashes are given to Ono, who decides not to hold a funeral, telling everyone who asks that "John belongs to the world". The world holds its breath as it waits for the seemingly inevitable announcement that even a portion of the fantastic fortune he amassed in life will be used to actively promote world peace just like John wanted and change the world...

her orgasm hard.
Just as she started

"I KNOW NOTHING"

Thirty-three-year-old Jonathan Williams was recently convicted of cocaine possession at Guildford Crown Court after jurors declined to accept his explanation that the trousers he was wearing, and the pockets of which contained the cocaine, were not his and that he had "no idea" who they belonged to.

The very same desperate and somewhat moronic Wallace & Gromit in "The Wrong Trousers"-style explanation likewise failed to sway an American jury in Naples, Florida, when 19-year-old Richard Obdyke, who'd been nabbed with a stolen debit card in his trousers, swore blind that he'd never even seen the trousers before and had fuck-all notion how they came to be covering his legs at the time of his arrest.

Even so, the most stupid crim of all must surely be an as yet unidentified 25-year-old man recently arrested for drug possession during a traffic stop in Corpus Christi, who voluntarily declared to police "It's not my truck," and "If you find something in it when you're searching it, I've no idea what it's doing there." When the cops met this rant with puzzled stares, he added: "And if there's anything in there inside of a black bag, it's not mine."

STICKING IT TO "THE MAN"

Forty-eight-year-old Paul Baldwin of Portsmouth, New Hampshire, was recently detained on ten grand bail following his arrest for stealing a can of beer. This sounds like small potatoes, but it was in fact Paul Baldwin's 152nd arrest. So when the judge asked if he wanted a lawyer appointed for him by the state, Baldwin stunned the courthouse by getting to his feet and declaring that no he damn well didn't. "I don't need a lawyer," he told the judge. "Hell, I've

spent more time in this court than you have."

Also inclined to come the cunt with the authorities in the past couple of months was Charlie Van Wilkes Jr., aged 31. When Charlie was arrested in Danielsville, Georgia, in August and charged with possession of drugs and burglary tools, the cops' arrest report noted that Wilkes had a "large lump in the front of his blue jeans, with wires running from inside his pants and hanging down dragging the

ground as he walked."

Charlie Van Wilkes immediately solved this mystery at the crime scene, explaining to boggle-eyed peace officers that he was wearing a "homemade vibrator," hooked to a battery. The chief arresting officer recorded that: "A small motor had been removed from some item and placed inside a pill bottle, then wrapped in a piece of pipe insulation before being placed inside Mr Van Wilkes' pants for a pleasurable sensation."

SLAB HAPPY

Twisted killer David Steffen, jailed in Cincinnati, Ohio, in 1983 for murdering a 19-year-old girl and sentenced to death because the jury determined that he also raped her, confessed to the killing but has vehemently protested that he did not sexually molest her.

Last year a 2007 DNA test of semen backed him up, disturbing the dead teenager's family even more and calling Steffen's death sentence into question, and this summer it was found that the DNA belonged to 55-year-old Kenneth Douglas, who is not a suspect in the slaying, but who was a morgue assistant in 1982 when the young woman's corpse arrived. That night, when everyone else had gone home...

screaming, I could see Tanya frigging herself even harder, her own orgasm not far off! I closed my eyes, enjoying the sounds of both of them climaxing, Lauren's pussy so tight around my cock and Tanya led there taking it all in.

I slid Lauren off my cock – Tanya's turn. I pulled her up and bent her over the couch, sliding inside her so easily, her sister's pussy juices working as a lubricant. When I was balls deep inside of her, I started thrusting hard and fast, desperate to give her the same pleasure as her sister had! I grabbed her long, dark hair and pulled at it, my cock sliding even further inside her with each stroke. Lauren, feeling left out, came up behind me and stroked my body as I fucked her sister, "Yeah, she likes that! She wants all of that big cock, I can tell!" she said.

I kept screwing Tanya until I could feel my hot, spunk building up inside of me. "Come on our faces!" Lauren ordered, taking her sister's hand and the twins kneeling down in front of me as I slid out of her wet twat. I stroked my prick fast, aiming it at their pretty little faces pressed together. I came hard and in bucketfuls!

I stepped away and admired my work. The twins started scooping the come up from their faces, giggling as they swallowed every drop. I smiled down at them and quickly went and got my mobile to take a picture of the pair.

The next day they were a bit embarrassed about it but we kept it between us – and a few mates who got to see a pic of identical twins in town licking my come from their fingers!

Hank, Bury ♣

ALL UP FRONT

You have just got to introduce me to Boroka (Club 37/11). I read what she said about liking guys who have the balls to go up to her and chat her up and I think I'm the man for her!

There hasn't been a woman I've had the horn for that I've seen who I've not approached, sometimes I've even pulled them when their boyfriends are in the same club! Shagging in the bogs? Lovely!

I was thinking, if she'd like to meet up with me I can see if there are any ladies out there who would want to join us for a threesome, because if she wants a man with balls, she'd be well impressed by me chatting up all the birds in the room, asking them if they'd like to come back with us and eat some porno pussy!

NATASHA

MOANS FOR YOU!

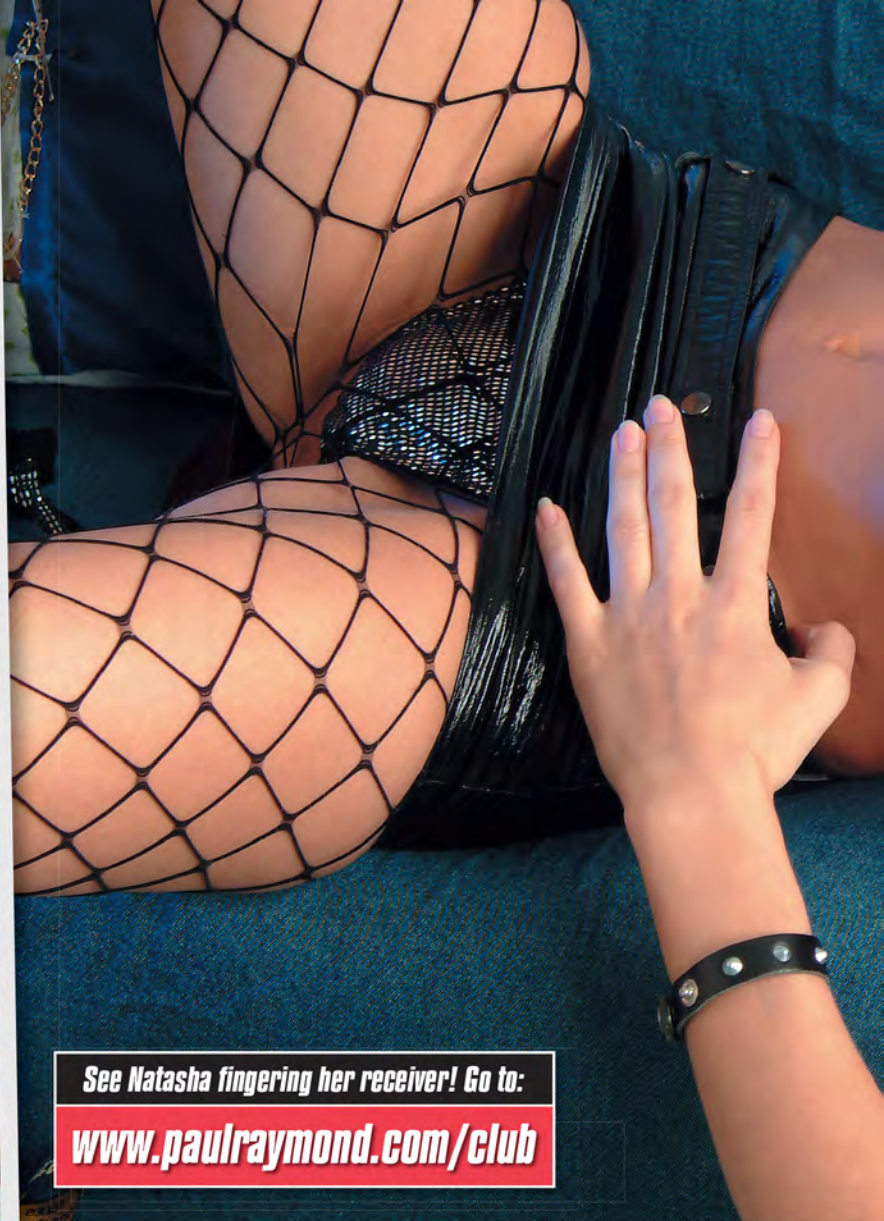

*Drop Natasha a line and
indulge her in her favourite
sexual deviation!*

PHOTOS: KEVIN MAKLIN

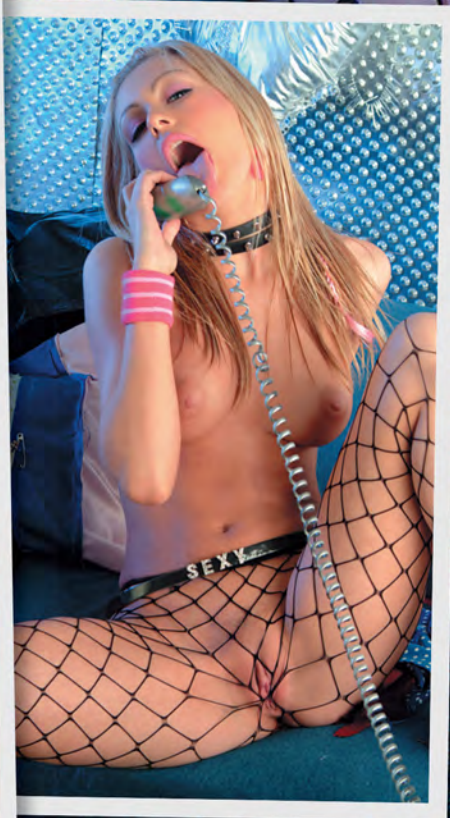

Most of us have tried being sexy over the phone to our girlfriends at some point, but as we all know, they usually tell you to stop it or laugh at you. Not so Natasha.

"The first time it happened was when my boyfriend was in Iraq," she explained. "He called me after being away for three weeks, just as I was going to bed. As soon as I said I was in the sack he started saying how much he wished he was in bed with me and I jokingly asked him what he would do if he was with me. But instead of us joking about it, I started to get really turned-on by what he was saying and then, when I involuntarily began to play with myself, little moans of pleasure started to escape from my mouth. He asked me if I was touching myself and I said yes and then he got really dirty, telling me that it was his fingers and not mine that were peeling open my pussy. At the end, he told me to take the phone and use it like it was a cock and I rubbed myself off with the it while he listened!"

That's what we like – a girl with no hang-ups! ♣

This Month:
MUSICAL KIT

Had enough of Guitar Hero? Think you're ready for the next step? Can't actually play because your a one fingered knob end? Come here lad...

This month we've taken two of the coolest things in the world – technology and music – and mashed them together savagely, forcing them upon each other in a manner not dissimilar to those scummy mummies in Plymouth goading their toddlers into fighting each other. The outcome? Well, in Plymouth, abuse trials and kids liable to grow up with severe antisocial disorders. But for us it's something far sexier: sexier than a naked Angelina Jolie kneeling before you, her mouth wide open as she eagerly awaits to taste your blistering nut-oil!

Ion iED05 USB Digital Drum Kit

Price: £130

www.firebox.com

Drums, eh?

Unsophisticated, primitive and the instrument of the tuneless Neanderthal. Well, in most cases, yes. However, these cunning little fuckers from Ion are a bit smarter

than that, and like any smart arse, they're itching for a beating.

You, see, unlike them big noisy things part-chimp drummers favour,

these can fit neatly into any home, are fully adjustable, plug into your PC to allow you access to over 200 pro-quality drum sounds, and feature velocity sensitive drum pads and cymbals which react with precision to every clumsy thump. Clumsy thumps which can be blared out of any

speaker set-up you happen to fancy or, if you don't fancy the psychotic truck driver from next door coming round, sleep disturbed, to ram his Yorkie bar sideways up your sphincter, you can plug in headphones and pound away to your paleolithic heart's content.

Gibson SG Robot

Price: US \$3,599

www.gibson.com

Okay, this might be a touch

pricier than everything else in this round up, but there's some ruddy good reasons.

Firstly, it's a Goddamn Gibson SG – one of the most iconic guitars in rock, built by possibly the finest guitar makers the world has ever seen. Secondly, it's not just a Gibson SG, it's an SG Robot. What the great rubbery fuck does that mean? Simply that, while still being handmade by magical sex-elves from bits of God, thereby making it one of the sweetest sounding, reverb holding, best looking planks on the face of the planet, it also has a special inbuilt automated tuning system that, at the twiddle of a knob, self-tunes your strings to up to six different preset tunings. And, if you're so bad you can't even tell when you're out, an LED will inform you whenever a string is out of tune. All you have to do is stand there making windmills, shuffling from power chord to power chord and watch those plaster-casters close in.

iAxe USB Guitar

Price: £100

www.firebox.com

Following in the footsteps of the Ion drum kit, the iAxe is an electric guitar with a difference. And that difference? Unlike normal leccy axes that

require stonking great Marshall stack amps and a flotilla of

effects pedals to produce just the right amount of blow-job inducing rock, the iAxe simply plugs directly into your PC and thus uses it as a digital amp, effects rack and recording system, offering a huge range of different sound set ups with which to summon Beelzebub himself!

The guitar itself is a reasonable quality maple neck strat-copy with three single coil pick ups, making it a bargain at this price. However, try to avoid coming over all Hendrix-y at the end of your riff-tastic rendition of Froggy Went-a-Courtin' and using it to trash your computer.

Washburn RO10 Rover

Price: £130

www.soundtech.co.uk

"Technology?" I hear you spit, "That's just some stoopid liddle acoustic

geetar!" Well, my slack-jawed country cousin, it may shock you to learn that this is actually one of the most technologically advanced acoustic guitars around. Not because it features a secret pick up and can plug into an amp, because it doesn't and it can't. Nor because it comes with a built-in speaker and range of onboard effects because, again,

it don't. No, what makes the Rover such a fucking wonder is the fact that it's the world's first scaled down 'travel' guitar to feature not only a full-size 24-inch mahogany neck with proper rosewood fingerboard and mahogany body, but it also comes with a solid spruce top and high-quality geared tuners, to make sure that, despite its diminutive proportions, it produces a big, quality sound, regardless of how shit-awful your playing is!

It's also small enough to comfortably fit into the overhead storage on a plane and even comes with a strap, plectrum, padded and be-pocketed travel case and, for the ultra-inept, an instructional DVD. So now you can impress fanny with your fingering techniques no matter where you roam. Let's rock! ♣

Danni was born too late...

PHOTOS: LOBO PRESS

You've got to feel sorry for a girl when she feels like she was born 30 years too late.

"I love everything about the sixties," claimed Danni. "I love the clothes, the music, the dances, but most of all I love the sexual liberation of the time. I am honestly so gutted that I wasn't around at a time when everyone was fucking everyone else and it was socially acceptable to do so because everyday I see guys I would love to stop in the street and ask if they wanted to come back to mine for a shag, no ties, but you just can't do that anymore. They'd all think I was a freak!"

Are you quite sure about that, Danni? Are you sure freak is the right word? Don't you mean girl of their dreams!? ♣

REET GRAND!

Money's no object, did you say? We've found you your new car, sir!

The Alsatian is one of the most popular breeds in our dog-crazy country. Nothing is as cute as a little black and tan pup before its ears have fixed upright. But in a few months' time, that slipper it's gnawing on will have been replaced by your gran's face. Alsations tend to have a bit of a temper – which is why coppers love them and toddlers

fear them.

It's fitting, then, that the car with the most brutal performance in the world comes from Alsace. Bugatti's Veyron 16.4 is built in Molsheim, and like the dog, has a split personality. It's perfectly happy cruising gently along one minute, but treat the throttle mean, and it turns into a beast.

A price tag of one million Euros ensures the Veyron is one of the rarest breeds – and now, Bugatti has unleashed an even more exclusive roadster version. Limited to a production run of only 150 cars, it promises similar bite in an open-air package.

Still, you wouldn't describe the new

Grand Sport

as cute – every angle leaves you in no doubt about the car's performance potential. And designers have largely managed to keep the purposeful charm of the coupe intact.

The only real changes for the roadster include the introduction of LED daytime running lights at the front and a slightly higher windscreen, which has been needed to incorporate the removable transparent polycarbonate roof into the design. And if a few drops of rain get into the cabin, not worry, Bugatti has retrimmed the interior in moisture-resistant leather. Other changes inside stretch to the specification of a reversing camera showing you what's going on behind the car in a 2.7-inch monitor built

into the rear view mirror. A sweet new Puccini sound system, complete with a digital signal processor has been fitted, too.

The driving position provides a huge range of electric adjustment, both seats offer the perfect blend of comfort and support and the dials and switchgear are simply beautiful. As you'd expect from a car in this price bracket, build quality is faultless.

Under the bonnet you have the 8.0-litre W12 as in the coupe, one of the most amazing powerplants the motoring world has ever seen. A few years ago, people would have laughed if you said a car would deliver 1,001bhp and 1,250Nm. But

BUGATTI VEYRON 16.4 GRAND SPORT

Engine: 8.0-litre W12 • Power/torque: 1,001bhp/1,250Nm
0-62mph: 2.7 seconds • Top speed: 253mph
Price: £802,000 • Contact: www.bugatti.com

that's exactly what the Veyron does, and it's channelled to all four tyres through a complex seven-speed DSG sequential gearbox and Haldex all-wheel-drive transmission. With such massive amounts of power and torque on tap, you'd expect the rubber to spend all day spinning, but the 20-inch front and 21-inch rear wheels wear some of the widest run-flat tyres Michelin has ever made, and the grip and traction this car provides is awe-inspiring.

But the open-air driving experience in the *Grand Sport* is arguably even more entertaining than the 'standard' car's. With the roof off, you can really savour the

rumbling sound as the 12 cylinders behind you do their work. And the fact that straight-line performance has barely been affected by the ditching of the roof speaks volumes for Bugatti's engineering expertise. With the twin-clutch DSG box changing ratios in only 150 milliseconds, the car hurtles towards the horizon. The 0-62mph sprint is completed in 2.7 seconds, you go past 124mph in 7.3 seconds and 186mph in 16.7 seconds. If you haven't run out of guts or tarmac, the *Grand Sport* keeps pulling all the way beyond 250mph.

It stops nearly as quickly as it takes off, too. Huge carbon ceramic

brakes provide immense power, and bring the open-air Veyron to a halt from 62mph in only 34.1 metres.

Bugatti deserves the plaudits for achieving these incredible headline grabbing figures even after adding to the kerbweight with a host of clever-clever carbon fibre jiggery pokery. As a result, the car weighs in at 1,968kg – or 80kg more than the coupe.

Yet the engineers should be proud, as the *Grand Sport* serves up a winning blend of agility and responsiveness, and is barely distinguishable on the road from its hard-top brother. The complex double-wishbone suspension is

another work of art, and alters the ride height according to the speed and road conditions.

Plus, the steering is impeccable, the mechanical grip around corners is supreme and there seems to be no limit to how hard you can push the car.

The *Grand Sport* is made for the open road. In town, it feels like a beast desperate to be let off the leash. And this Alsatian leaves some pretty nasty emissions on street corners – Bugatti estimates an urban CO2 output of 999g/km. Then again, if you can afford the million Euro price tag, you can stretch to a full-time pooper scooper! ♣

It's so typical of girls to wear the same things, and Michelle and Mili are just like every other pair of friends in that respect. But where they differ from your average sexy pair of mates is that they share more than just a taste in pastel underwear – they share cocks too!

"We've been best of friends for a long time before we ever got into bed to share a guy," said Mili as she helped her bezzie mate out of her knickers.

"And that was when we discovered we liked to share more than men!"

What do you mean!?

"Well, neither of us prompted the other, it just felt so natural that I kissed Mili and before we knew it, we'd shouldered the bloke out of the way and were licking each other's pussies like mad!" laughed Michelle as she stuck a finger up Mili. ♣

HYMEN IN HERE!

A couple of octogenarian divorcees had been seeing each other for a while, when the old fella announced, "Tonight's the night we make love!"

So that night they made like the beast with two backs, and as they are lying in post coital calm, the man thinks to himself, "Shit, if I'd known she was a virgin, I would have been much

more gentle with her."

At exactly the same time the old dear was thinking, "Bloody hell, if I knew the old fart could actually get it up, I would have taken my tights off!"

IF IT'S WORTH DOING...

A man and his wife go take a two-week break in Rome for their 25th anniversary to rekindle the flames of married passion. On the first night they enjoy a

romantic candlelit dinner, when the wife asks, "When you first saw me naked, what did you think?"

The husband replied, "All I could think was how much I was going to fuck your brains out and suck your tits dry."

Then, later that night back in their hotel room, as the wife is undressing, she asks, "So what are you thinking now?"

"Job well done."

DEEP IN MOURNING

Judy had lost her husband four years ago and was having trouble moving on. Her daughter repeatedly urged her to get out into the world again when finally Judy gave way. But after 20 years of happy marriage, she didn't know anyone. Luckily, her

daughter knew just the right man for her – Melvin, a high flying company director.

They fell in love and after dating seeing six weeks, he asked her to join him for a weekend in Paris. Their first night there, she undressed as he did. There she stood naked except for a pair of black lacy panties, while he was totally starkers.

"Why the black panties?" he asked.

She replied, "My breasts you can fondle till your heart's content, my body is yours to explore like a nomad, but down there I am still in mourning."

He knew that clearly he wasn't getting lucky that night. The following

night exactly the same thing happened, except for one difference: this time he was already hard and had a black condom sheathing his prick.

She looked at him and asked, "What's with the black condom?"

He replied, "I want to offer my deepest condolences."

Barry, Hull ♣

THE ONE THAT DIDN'T GET AWAY

A wisearse tells his wife, "This weekend we're going fishing, you, me and the dog."

"But I don't like fishing!" cries the wife.

"Look," says wisely, "we're going fishing and that's final."

"Do I have to go fishing with you? I really don't want to go!"

"Okay," the guy says, "I'll give you three choices: Come fishing with me and the dog, give me a blow-job or take it up the arse." "But I don't

want to do any of those things!" says the wife with a look of horror on her face.

"Sweetheart, I've given you three options, I can't say fairer than that. I'm going to sort out my fishing tackle, when I come back I expect you to have made up your mind!"

The wife sits and thinks about it. Ten minutes later her husband comes back.

"Well?" he says, "Have you made up your mind? What's it to be, anal, fishing or sucking me off?"

After some more complaining his wife finally caves in and says, "Oh alright, I'll give you a blow-job for fuck's sake."

"Great!" says the wisearse and he drops his trousers.

The wife is on her knees chugging away when she suddenly stops and wails, "Yuck, your dick tastes absolutely disgusting!"

"Yeah," says her husband "The dog didn't want to go fishing either."

No coffee and juice then?

"No way! Mornings are the best time to get laid because you wake up and there's this rigid, throbbing cock poking you in the back, and if you're lucky there's another one poking you in the front too!"

NAME: Theo **AGE:** 18

VITAL STATISTICS: 32C

WHAT'S SHE LIKE? Loves surprises...

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I wanted to freak my boyfriend out. I found his secret stash of porn under the bed in his house – he's got loads of Clubs under there – and I had a flick through and found the Reader's Girlfriends and thought it would be a great way to blow his mind. The only sad thing is I won't be there when he finds me in it...

CLEARLY, YOU DON'T HAVE A PROBLEM WITH YOUR BOYFRIEND HAVING PORN!

No, I'm fine with it - we all like a bit of porn! I have no idea how he's going to react when he sees this. It isn't just that I'm going to be in Club, this is his house! But I think it will be okay, I'm really into surprising him, especially sexually. We've had loads of sexy fun outdoors, like the time I turned up at his office when he was working late wearing nothing but a mac and some knickers!

WHAT'S YOUR MOST EXCITING SEXUAL EXPERIENCE?

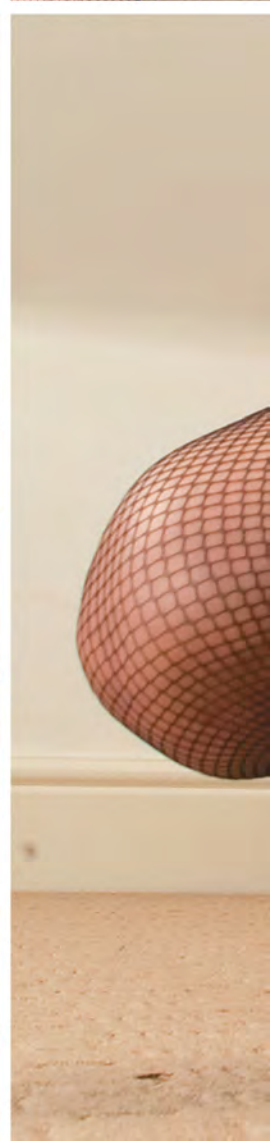

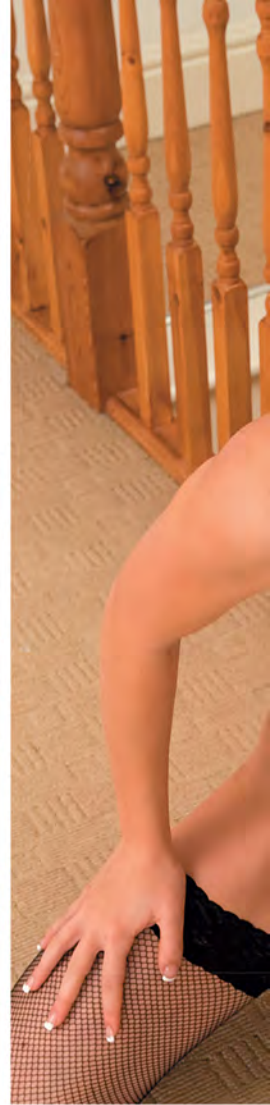

It was fucking on the top deck on the ferry to Ireland! It takes less than an hour to get there and we were screwing for half of that – I am still amazed that no one actually caught us.

ANY LAST WORDS FOR YOUR BOYFRIEND?

Hi honey! Bet you didn't expect to see me here. Call me as soon as you've seen this and don't waste any of that lovely come of yours before I get there... ♣

THE KILLERS

Day & Age (Mercury)

The Killers' second album wasn't loved as much as the first so what do they do? Get Stuart Price involved – the man responsible for the last Madonna album and the chap who remixed Mr Brightside on the Sawdust album. The result? An electro infused, guitar driven, girl fingering beauty.

DR LEKTROLUV

Live At Pukkelpop 2008 (Lektroluv)

Belgium has lots of chocolate, pussy and Pukkelpop – their version of Glastonbury, which

this year was rocked by Dr Lektroluv – a deviant who wears a green mask and mixes his tunes using a telephone. Including music from Digitalism, Fischerspooner, Moby, and Jackknife Lee, it guarantees electro lovin' girls will bounce around on your cock all night long. Cosmic.

FALL OUT BOY

Folie à Deux (Island)

Emotional rock has to be the gayest name for a genre ever – possibly gayer than Elton John and Fall Out Boy are the 'queens' of it all. Anyone over the age of sixteen buying this crap should have their bollocks chopped off with a chain saw and anyone under the age of sixteen will remain a virgin forever if they continue listening to such tripe. Very un-cosmic.

VARIOUS ARTISTS

Art of Chill Volume 5 - Mixed by Bent (Platipus)

VEGAS, BABY...

Club chats to Glasvegas guitarist and all round sex pest Rab Allan...

Tell us a good shaggin' story.

Five years ago, I slept with three birds in the same day and neither of them knew about the others. One in the early hours of the morning, another during the day and another early that night, and they were all in my bedroom – The Den in Shettleston, Glasgow. The funny thing was I didn't mean for any of it to happen – it all just fell into place.

What's the best thing you've ever nicked?

I like to steal girls' underwear after I've slept with them – and I've got a drawer full at home. I think at first my Mum thought they were mine! My faves are the black, red and lacy ones.

Are there any Marks & Sparks stuff in there?

To be honest I haven't looked through a lot of the tags but there's definitely some Victoria's Secret in there. But I'm not too sure about M&S.

And what's the biggest pair of knickers you've robbed?

A size 16.

So you like a bit of fat bird sex then?

Yeah – of course man. Why not, eh?

Ever had bum sex?

Yes. One word – tight! I was about twenty-one when I got my brown wings and that was in The Den as well.

ATM?

No, but I know some girls who would probably do it. The bass player in the band loves all this kind of stuff.

3somes?

Not yet, but I'm planning on doing it. It's just one of those things that I've always wanted to try but the situation has never come up – so I'm going to make a point of getting myself in that situation.

What three things do you like from a shag?

A good blow-job goes very far with me – that's never frowned upon. I like having sex outside and, as gay as it sounds, I like a good cuddle. But that's probably afterwards.

And where's the funniest place you've had sex?

I was about eighteen with my girlfriend walking back from a party and I don't remember how it came about but we ended up having sex in a phone box on the main road. There weren't that many people around though because it was three in the morning.

Can you tell us about the time you lost your virginity?

I was about fifteen and it lasted for about that many seconds. And again it was in The Den. I've been there for eighteen years and I still live with my parents.

So they let you bring birds back, do they?

Yeah, they're totally cool with that. I can go out, pull a girl, and bring them back and it's no problem – I'm quite lucky. And I don't pay board. I never paid before 'cos I didn't have a job and I don't pay now 'cos I'm not there a lot of the time.

Nice one Rab – keep on stealing those size 16s pal!

GEARS OF WAR 2

(Microsoft) PS3, Xbox 360, PC

★★★★★

The most anticipated game of the year, so says the blurb, and for once they're not wrong. The first one stole days and days of your life and the second one is set to remove you from the world for the foreseeable future. It's about as addictive as a cracked-laced nicotine cocktail, the kind of FPS that has you saying to yourself 'just one more level' all the way through the night and halfway through the next working day - beautiful to behold, action-packed and intensely detailed, and that's just the one player option! Add all this to the joy of the online multiplayer frag-fest and you're faced with a game that makes Halo look like something the dog dragged in.

BROTHERS IN ARMS: HELL'S HIGHWAY

(Ubisoft)

Xbox 360, PS3

★★★★★

Just in case you don't fancy being a one man death deliverer in some kind of post-apocalyptic future, slaying weird alien types, but you do fancy being some kind of minister of body-exploding pain, there's *Brothers In Arms: Hell's Highway* to placate you. Here, instead of being given a large gun and pushed towards the oncoming hordes, you're given a not so deadly gun and the command of some troops in order to dispatch those bastard Nazis as swiftly as possible. The key to success here is not to go running in guns blazing while totally ignoring your troops, but to think it out and tactically place your men in decent positions so as not to lose all of them in three minutes flat. Tricky at first, but very rewarding in the end!

STAR WARS THE FORCE UNLEASHED

(Lucas Arts)

Wii, Xbox 360, PS3

★★★★★

Lastly, we seal this triptych of superb games with some Star Wars action! They swing both ways Star Wars games, they're either shit or fantastic, and thank fuck that *The Force Unleashed* is of the latter variety.

You are Darth Vader's apprentice sometime between *Revenge of the Sith* and *A New Hope*, thus you stride out into the universe to learn all there is to know about the dark side. Does that not get your light saber stiff as a board? It ought to because this is the game to realise all your wannabe-a-light-saber-wielding-bad-ass dreams and more. Honestly, we cannot communicate how good it feels to grab people by the throat, using the force, while they're six feet off the ground and then zap the shit out of them with your electro-shock skills before hurling them to their death!

BOSSANOVA!

I hadn't planned to meet my husband Martin's boss Ben at the city centre club – but I wasn't sorry when I did. There'd always been chemistry between us, and that evening it took over. The man is utterly charming and I couldn't say no to him. When I came out of the changing rooms after my evening's workout, there he was, in the bar having a quiet drink on his own. He didn't seem surprised to see me, in fact he seemed like he was waiting for me – and I liked that. After the club closed we walked back to his Merc and there in the dark I secretly knew that I was giving myself to him. On instruction from Ben I undid his zip, took his member out and directed it to my now moist and eager sex.

"I've always wanted you," Ben murmured, inserting his cockhead between my love lips.

"I'll fuck whenever you say," I replied, thrilling to his cock. Ben pushed my legs up over his broad shoulders and we

"He used the tip of his nose to brush back and forth across my engorged clit..."

thrust against each other like crazy. I pleaded for him to spunk inside me and kissed him passionately as I climaxed and felt his cock jerk vigorously. Ben's thighs tensed, his prong held me hard against the leather of the seat as a deluge of hot seed squirted into me.

It was five in the morning when Ben dropped me at our house, driving off into the growing dawn. I assumed that Martin would still be fast asleep so I tried to sneak into the house quietly. Almost immediately though, Martin came into the lounge with a cup of fresh coffee for me. He was dressed in a cotton robe and nothing more, his face expectant but calm. I was going to spin a tale but Martin said very simply, "Ben rang and told me you were with him. I've put the designer jeans you like out on the bed. He told me that

from now on you go to his bed."

Too surprised by their conversation and Martin's directness, all I could do was to whisper, "good". It was such a relief not to have to lie. With that Martin stepped forward and very quickly dropped to his knees, planting a kiss on the surface of the leather

skirt that I wore. There was a full-length zip down the front of my skirt, which Martin released, showing my damp panties.

"It's okay," Martin reassured me.

Martin was so accepting, skilful, in what he did with his fingers and in what he said. I felt his warm hands cup and stroke my buttocks, felt his mouth start to brush across the top of my pubes. I felt Martin's kisses move down the V of my pubic hair, down towards the lips of my sex, his fingers holding the gusset of my panties to one side. There were little flicks of Martin's tongue glancing up and over my swollen labia. The end of each flick caught my clitoris, which by now was swollen after the night of sex. The more Martin licked me the more I wanted this. I remembered how hard Ben made me come, but delighted too in Martin's submission to the *fait accompli*.

I released my skirt and, dressed there in just stockings and a suspender belt, held my quim open for Martin to minister to. His touch was impeccable, seductive and so arousing. He used the tip of his nose to brush back and forth across my engorged clit, wiggling his tongue into my crease. To ensure that he could maintain exactly the right pressure, he held my body against him, now sucking and licking deeper, so that it was impossible not to writhe with pleasure. I had never known Martin like this, never dreamt how dirty and randy he could be. I took what I wanted and demanded, "You have

"I grabbed the mane of his hair roughly and rubbed my sex against his nose..."

to suck my clitty now."

As Martin's lips closed on my button the sensation made my head spin! I grabbed the mane of his hair roughly and rubbed my sex against his nose and mouth. I ordered him to lie on the sofa and then sat on his face, wriggling

and gyrating to obtain the sensations that I wanted. The climax was bliss, hot and sticky, and my nipples stood out rock hard, aching for Ben's touch but driven now by the attention of my cuckold. Little squirts of my come shot out and Martin's tongue mopped up everything. When I stood up my heart was pounding. That it had been arousing for Martin too wasn't in doubt. There was a huge damp patch on the front of his robe. He was mesmerized by it all and said, "I'll go and draw your bath. Shall I put out your favourite boots with the jeans or will you wear something else?"

GOOD VIBES

I wouldn't say that I am prudish or reserved – I am as open minded as the next man. But I had seen nothing before I met my girlfriend Kayla! I thought that I'd had a pretty full sexual life until she came along...

We met at a wedding. She was a friend of the bride, me of the groom. As so often happens at weddings there was a sexual tension in the air – I guess for the guys it is because all the women are all dressed up and look great and for the women because of all the romance. Anyway – we met and hit it off immediately. She was slim and pert with straight red hair (all natural as I was soon to discover). She looked fantastic in her tight blue dress, and by the time the music was playing and the dancefloor was packed we were all over each other on a bench in the gardens of the hotel. Once she started sucking me off, just feet away from where everyone else was partying, I knew she was a dirty cow! We retired back to her room in a hurry and got to know each other much better after that.

We began dating soon after, which involved some intensive fucking in every position imaginable, but nothing out of the ordinary – until one Friday while at work, she

BOSSANOVA!

I hadn't planned to meet my husband Martin's boss Ben at the city centre club – but I wasn't sorry when I did. There'd always been chemistry between us, and that evening it took over. The man is utterly charming and I couldn't say no to him. When I came out of the changing rooms after my evening's workout, there he was, in the bar having a quiet drink on his own. He didn't seem surprised to see me, in fact he seemed like he was waiting for me – and I liked that. After the club closed we walked back to his Merc and there in the dark I secretly knew that I was giving myself to him. On instruction from Ben I undid his zip, took his member out and directed it to my now moist and eager sex.

"I've always wanted you," Ben murmured, inserting his cockhead between my love lips.

"I'll fuck whenever you say," I replied, thrilling to his cock. Ben pushed my legs up over his broad shoulders and we

"He used the tip of his nose to brush back and forth across my engorged clit..."

thrust against each other like crazy. I pleaded for him to spunk inside me and kissed him passionately as I climaxed and felt his cock jerk vigorously. Ben's thighs tensed, his prong held me hard against the leather of the seat as a deluge of hot seed squirted into me.

It was five in the morning when Ben dropped me at our house, driving off into the growing dawn. I assumed that Martin would still be fast asleep so I tried to sneak into the house quietly. Almost immediately though, Martin came into the lounge with a cup of fresh coffee for me. He was dressed in a cotton robe and nothing more, his face expectant but calm. OFF YOUR HEDONIST

All sorts of goodies to stick on your telly, plus a big booze-filled pair of boobs! What could be better?!

RATINGS: ★ HALE & PACE ★★ PUNT & DENNIS ★★★ CHEECH & CHONG ★★★★★ MITCHELL & WEBB ★★★★★ MORCAMBE & WISE

That Mitchell & Webb Look 2 (Fremantle)

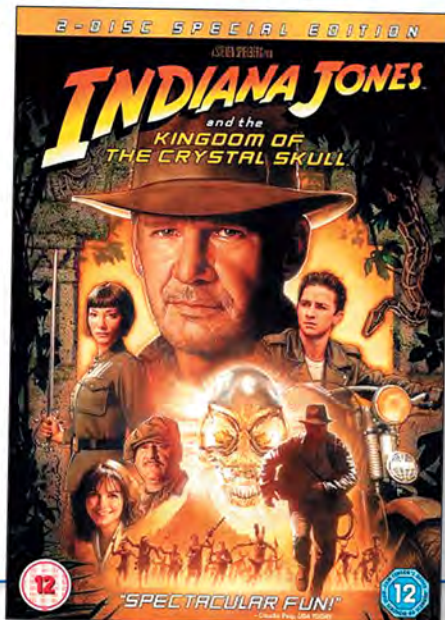

When M&W rolled out their first series, it got a bit of a muted response (although it still bagged a BAFTA!) – probably because we were all comparing it to the masterful *Peep Show*. Still, they've plugged on with this second series, and to be fair it's easily as good as any other sketch show out there at the moment. Wisely,

while keeping a few of the themes from the first series (like Sir Digby Chicken Caesar and Numberwang – albeit with a Dan Brown twist), there are plenty of new routines to keep things fresh. And best of all, we've got 5 copies to giveaway. Just tell us the name of Sir Digby's sidekick and send your answers to Club's Caesar Comp, 2 Archer Street, London, W1D 7AW (or email clubint@paulraymond.com) to reach us no later than December 5th. ★★★★★

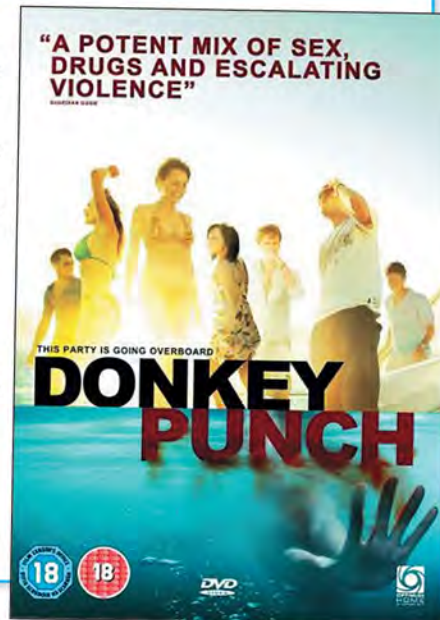

Indiana Jones and Kingdom of the Crystal Skull (Paramount)

No, don't panic - you haven't stumbled through an *Ashes to Ashes*-style timewarp and woken up in the 80s! This is a new Indiana Jones film – it came out earlier this year, remember? Don't believe us? Then take a look at Indy's 65 year old mush and you'll have to... and no, it doesn't involve Indy heading to Blighty to snap up Damien Hirst's over-hyped and -priced diamond skull, either – there's all sorts of alien/Roswell stuff to keep him on his toes. Old fashioned fun with a strong cast makes this well worth getting... if you can't wait till next Christmas. ★★★

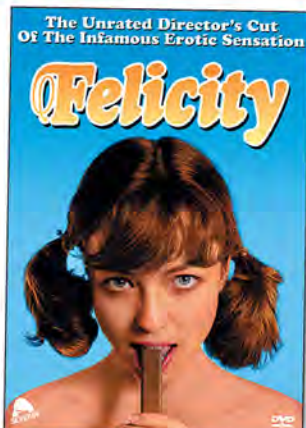

Donkey Punch (Optimum Home Entertainment)

We can't think of too many non-porn films out there which have taken their name from a dubious bum sex practice (*A Passage to India*?), so this one merits our interest just for that. Things start out innocently enough, with three girls on holiday in Mallorca hooking up with four guys who've got access to a yacht for a bit of med-cruising and jiggery-pokery, but everything goes tits up when one of the girls comes a cropper thanks to the titular trick. Thereafter things go downhill for those on board pretty rapidly. Okay, so the characters are a little hard to like, but the tension and horror, when they come, are very capably handled. ★★★

Felicity (Severin Films)

Ah, 1970s skin flicks! Does anyone out there actually remember a time when cinemagoers after a furtive glance of a bit of tit would be lured into fleapits in their droves to drool over this sort of thing? In this day and age, if it's titillation you're after you'd be hard pushed to find anything quite so tame, but thanks to the advent of DVD films like this 1979 Aussie offering are getting cleaned up (visually) and dirtied up (sexually – thanks to directors sticking in the muck they couldn't get past the censors first time round) so we can all marvel at their innocent sleaziness. Starring the saucy young Glory Annen, it's better than most! ★★

While She Was Out (Optimum Home Video)

We've been keeping an eye out for Kim Basinger films ever since she gave food sex a good name in 9½ Weeks. This is a bit of a departure, in that it's a deliberately low budget, lo-fi flick that taps into the current trend for thriller/horror in which a pack of feral youths run wild. Basinger plays a housewife who pisses off four young hoodlums by leaving a note on their badly parked car and, wouldn't you know it, they go for her in a big style. Executively produced by the omnipresent Guillermo del Toro, there are plenty of thrills to be had along the way as our heroine battles to save her (still rather admirable!) ass. ★★★

Rhys Derby Live: Imagine That (Warner)

Rhys Derby? Who the fuck? Ah, okay, so you recognise him? That's right, he played Murray, the third quarter (erm...) in the *Flight of the Conchords* and was, let's be honest, the funniest character of the whole series. Well, now here he is doing a stand-up routine in Las Vegas, which you might think is bound to be horribly show-bizzy, but is actually rather lo-fi and homely. Derby plays up the small town New Zealand elements to the full, and, thanks to his talent for sound effects and self-deprecatory humour, soon had the audience squarely on his side. So while it may drag a bit here and there, this is still a top notch stand up routine. ★★★★★

The Winerack (www.firebox.com)

Are you and your other half getting fed up with having to queue up for hours and pay through the nose every time you fancy a bevvie at a gig or festival? Well, if so, help is at hand! This is an ingenious bra device with inflatable pouches in each cup, allowing you to fill them up with wine – or anything else, really, and then sneakily sup away to your heart's content! And until you do tuck in, she'll have amazing norks to boot! ★★★★★

Tipple X

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. This month: Scotland's finest... gin!

Hendrick's Gin

What...

Scotland isn't really noted for its gins, but a tiddy William Grant and Sons owned distillery in Ayreshire is doing its darnedest to change all that! So unlike most gin distillers, Hendrick's haven't got a long and proud history to fall back on – they're relative newcomers to the scene, but they're not going to let that stop them blowing their own trumpet!

Why...

Thanks to their use of a restored 19th century Carter-Head Still (so there's a bit of history in there, at least), the distillation is a lot more measured than a typical boiling still could produce – think of it like espresso versus instant coffee, if you like. This means the unique blend of botanicals and flavours used in Hendrick's are given a particular chance to shine in the finished article.

Where...

Your best bet is in a small number of rather posh bars in central London, although thankfully Hendrick's

can now be snaffled at various supermarkets and online retailers, making it available to all, no matter how outlandish your chosen place of residence might be – even including overseas!

When...

Before dining, in a G&T, or else afterwards in one of countless cocktail options, of course.

How...

Tonic, ice and a slice is always a winner, but beware – with Hendrick's, it's a slice of cucumber rather than lemon you need. That's right – this is a gin that dares to be different...

Who...

Well not Mr Hendrick, apparently. He seems never to have existed outside some marketing bod's imagination. ♣

PEACHES

It's the only place to find all of your bum banter and tales of backdoor fun – every month!

GET YOUR COAT...

My girlfriend, Tamzin, has got the smallest waist with the most beautiful, big round bum of any girl I've known. And although I absolutely adore anal sex, unfortunately she's not really a big fan, even with plenty of lube. So it's normally reserved for birthdays and anniversaries.

This summer we went out for the evening with her parents. It was one of those picnic dinners in the grounds of a stately house, with a full orchestra followed by fireworks. Not something I'd choose to do every weekend but Tamzin and I have been together a long time and you have to do these things now and then.

I'd had more than a couple of glasses of bubbly and the orchestra had been playing all of ten minutes when Tamzin says, "I'm cold! I left my coat in the car, will you walk back with me to get it, Joe?"

We told her mum and dad and

started on the half mile walk through the grounds to the car.

"My sister and I used to get dragged here all the time when we were kids," Tamzin told me slyly. "I know this place pretty well..."

We walked a bit further, then she took my hand and led me off the path. "Come on babe, I want to show you somewhere," she said excitedly. We went between some bushes and trees, moving away from the path for a short distance until we came to a small circle of huge fir trees.

Tamzin walked over to me, turned to face me and began to unbutton the long summer dress she was wearing. She undid it to her breasts then let it fall to the ground. As I had suspected, she was wearing nothing underneath.

As I looked at her standing there with nothing but lip gloss on I could feel my cock hardening in my boxers. I went

to her, and as she pushed her tongue into my mouth I began to knead her firm tits and then slipped a hand down to her big, plump arse. I pushed my hand into her crack until I felt the soft golden hair of her pussy. She was already wet and I ran my fingers along her labia and began to probe the entrance to her cunt as she arched her back to meet me.

Tam undid my trousers, released my cock and began to wank my shaft firmly and slowly. She pushed me back against the tree, squatted down in front of me and took my hot prick between those pretty, full lips and into her mouth. She worked a steady rhythm up and down my length, her tongue rolling over the head of my cock, one hand holding me at the base whilst the other held and squeezed my balls tightly so it was just a little painful. Then she did something she never does – she took my dick to the back of her throat until she gagged on it. At first I thought it a mistake, but then she did it again and again. I could feel the glans of my member pushing

through the tightness and hitting the back of her throat, and each time she gagged. I looked at her face, her eyes were watering and tears rolled down her sweet cheeks. I couldn't help bucking my hips, pushing my dick deeper into her throat. Saliva was running from her mouth and still she continued, so it was running off my balls and her hand, down between her tits, over her belly and into her dark blonde pubic hair. I could feel the come begin to stir in my balls and so did she as she withdrew my cock from her mouth and gasped for air.

She lay back across the tree and lifted her legs, the lips of her pussy already parted in anticipation. I knelt between her thighs and worked my tongue into her hole whilst rubbing her clit with my finger. I took her labia into my mouth and bit them gently. Then I pushed two fingers in her pussy and rubbed the walls of her tight cunt, sucking her clit into my mouth and flicking it with my tongue. Tam was soon moaning loudly and grinding her pussy onto my fingers.

“I want you to fuck my arse!” she said.

was so tight I couldn't go any faster, and she wailed as I worked every inch into her rectum. Eventually, my balls rested against her sopping pussy and I gave an extra push then pulled my length all the way back.

"Oh... Fuck..." Tamzin groaned. I continued pushing myself in and out of her like this while she wailed, yelped and whimpered, her arsehole gripping my penis like a vice. Her beautiful body quivered all over, making her bumcheeks shake. By now she was even hyperventilating between her squeals and cries.

"Fuck! My! Arse!" she groaned and I felt Tamzin's cunt and rectum start to twitch then go into huge spasms, so I pushed my dick in up to the hilt. I held her hips to stop her knees buckling as she came. Before her orgasm had finished with her I drew my cock out of her bum and

"Have you got any lube in your handbag?" I asked hurriedly.

"No," she said, shaking her head. "But I want to feel you in my arsehole!"

I turned her over so she was leaning over the tree and started tonguing her pucker, licking her rim and then pushing my tongue as far as I could into her taut hole.

Standing up, I positioned my cock at the entrance of her glistening pussy. Tamzin gasped as I took hold of her tiny waist and with one motion drove my rock hard dick into her waiting cunt as far as it would go and my hips hit the buffers of her round bum cheeks. As I stroked in and out of her, I pushed my finger in her beautiful mouth and fucked her mouth until my finger was completely wet.

I pressed my finger against her ring. She wasn't nearly wet enough to take even a fingernail's worth of it.

"Do it!" Tamzin ordered. "Push it in me!"

I applied more pressure, feeling her ring start to give. Tamzin's whole body went tense.

"Ah, fuck! Ow, ah, fuck!" she managed to utter as I pushed my digit further up her back passage. Her breathing came shallow and fast as I eventually squeezed myself in up to the knuckle. I could feel my own cock like a piston in her pussy through the wall of her backside and I joined the rhythm with my finger.

"Oh, oh, oh!" Tam gasped as I tried to loosen

her with each thrust. "Now fuck your cock up my arse," she said, looking back sharply at me.

"You're not loose enough yet, babe!"

"Just fuck that cock of yours up my arsehole and don't stop, even if I beg you!" she replied, looking deeply into my eyes, and I withdrew from her cunt. Now, I have a good-sized dick with a large bell-end and it is absolutely rigid when erect, but as I pushed my helmet against

***"Just fuck that
cock of yours up
my arsehole and
don't stop, even
if I beg you to!"***

her sphincter there was no give at all. Using one hand to reinforce my length and the other to pull her back onto me, I pressed on. The tight muscle of her arsehole squeezed my helmet hard as I eased my way in. And as the head of my prick breached her ring she let out a scream which she muffled by biting her lip. Her whole body was shaking as I crammed the tip of my prick into her tight hole.

"Ah, stop!" she cried but I could feel her fingers frigging her clit and so I continued thrusting slowly into her darkest of rings – she

turned her to lie facing me across the tree trunk. I lifted her knees high and looked at her cunt and arsehole in spasm before me.

I placed my penis against her anus and shoved my full length inside her in one thrust. She had loosened after her orgasm and lay back completely surrendering to the anal pounding I gave her.

"My arse, my arse. You're fucking my arse," she panted. I couldn't hold back any longer. My dick began to throb and my balls tightened in readiness. Tamzin screeched as I pumped load after load of hot spunk deep into her gaping, slippery arsehole.

When I was spent, I slithered my still hard cock out of her gaping anus, pulled my beauty into my arms, held her close and pushed one finger up her tired bum and a river of come flowed out.

We got ourselves cleaned up and went back to her parents. I could barely look them both in the eye and then her mum said, "So where's your coat, darling?"

SCRUFF JUSTICE!

YEs, it's another open (legs) day at Harmony's notorious (happy) finishing school for young floozies...

RATINGS: ★ DOUBLE MATHS ★★ DOUBLE FRENCH ★★★ DOUBLE SCIENCE ★★★★★ DOUBLE GAMES ★★★★★★ DOUBLE PENETRATION!

Young Harlots: Dirty Secrets (Harmony)

Another term begins at director Gazzman's finishing academy for cock-hungry young strumpets, and first off it's time for croquet. But the girls, it seems, are far more interested in lezzing up all over the place than polite lawn-based pastimes, and Carmel Moore and Carmen McCarthy soon get caught in the act by one of their tutors, who punishes them both with a thorough drilling fore and aft before paying them off with rackful of jizz each. From then on, all sorts of filth ensues, with plenty of glistening close-ups and gaping bangers as one tasty trollop after another gets her cum-uppance. Special mention must go to Poppy Morgan, who manages to fit in a double vag whilst being energetically pronged by three cocksman, but really every scene's a winner here, if you like your scruff down and dirty.

★★★★★

The Visitors (Wicked Pictures)

Fans of TV science fiction will know that *The Visitors* is what the aliens in *V* called themselves, and we're firmly in porno homage territory here, with Michael Raven's ambitious take on small town America versus the little green men. Okay, so actually, the scenes are (nearly) all human on human affairs, with the likes of Keri Sable, Barrett Blade and Cassie Courtland taking prongings from their earthbound studs. The girls are all stunning (this is Wicked, after all), and while a few of the scenes might be a bit on the dark side, it's all nice stuff. Only blonde Kimberly Kane samples a whopping ET cock at the end, but not for long... ★★★

Lust Legs (Deep Impact)

The title gives the game away here – this is a no nonsense flick aimed squarely at the leg and foot brigade. Sophisticated looking Roxy Panther is first up, rubbing her nice long, stockinged pins and heels until her bloke arrives for a foot wank. Then her shaven spadger gets a look in, but there's still plenty of footsie fun before her tootsies get a jizz dressing. Stephania throws a bit of a tit wank in to the second scene, although basically her bare-balled beau gets the same treatment. Asian Selena, Kyra and covergirl Jasmine all stick to the script (with some anal along the way), making this a formulaic but reliable niche offering. ★★★

HARD CORE PORN!

*Are you ready to sample
some forbidden fruit with
five-a-day craving Suzy?*

PHOTOS: PHOTORAMA

Mmm, this must be how Adam must have felt when Eve offered him a nibble on her Granny Smith!

"As far as I'm concerned," chips in Suzy, "that Eve's had a pretty bad wrap! Wouldn't it be boring if she'd never tempted Adam to eat that apple and they just spent all their time swanning around in the Garden of Eden?"

We don't want to get into any theological debate about this (Richard Dawkins might pitch up and start getting all pissy), so let's move swiftly on. So Suzy, are you a big fruit fan?

"Sure, I like eating it, I guess, but what I really like about fruit is the way you can play dirty games with it! I don't know any of my girl friends who haven't tried it on with a banana at one time or another, and we all know that guys like screwing watermelons if there's nothing else to hand!"

Erm, some of them might do, but let's get back to you – what's the deal with the apple?"

"Well, it's a very sweet and juicy little one. Fancy a taste?"

Gulp... are we still talking about the apple here? ♣

Stella

...where to stick it!

PHOTOS: 21ST SEXTURY

Don't you just love it when your girlfriend gets all dressed up? And I don't mean when she puts on a nice dress, I mean when she puts on some old fashioned stockings and suspenders. Maybe she's never tried it, but if I were you I'd go out and get her some, the evidence is clear by that bulge in your hand that when a girl gets all dressed up under her clothes, guys just can't wait to jump her bones!

Or maybe you don't think I look very sexy in this. But I bet you do. I bet you want to watch me slowly unbutton my stockings and roll them down my thighs until they fall off my feet. Would you prefer to watch me from the side or from behind? I like it best when I've got my man beneath me and he's rolling them down for me. That way, once they're off, I can make him pull my knickers off with his teeth and then he's in exactly the right position for me to sit on his face and grind my pussy into his mouth.

Does your girlfriend do that to you? I bet you'd like it. If I was her, I'd spend most of my time on your face, rubbing my wet slit all over you until you were just as wet as me. Then maybe, just maybe, I'd get your cock out and sit on that. But only if it was nice and hard. Is your cock nice and hard now? I just know it is... ♣

BE THE BEST YOU CAN BE

In the Queen's army you get to shoot guns and get your cock sucked at the same time! (Not to mention providing the enemy with a great target!)

A close-up photograph of a woman's midsection. She is wearing a tan-colored corset with visible lacing and a small metal buckle at the waist. Her hands are positioned near the waistline, with pink-painted fingernails. Overlaid on the image is large, bold, pink-outlined white text that reads "FUR TRIMMED!". Below this, in smaller pink-outlined white text, it says "AMY'S MUFF WILL KEEP YOU SNUG AND WARM THIS WINTER!". The background is a soft-focus outdoor setting with green foliage.
